About

Remi C.T. Studio is currently seeking a driven, highly organised, and experienced Architectural Technician/Technologist to join our studio on a full-time basis. You will work alongside our team of Designers under the weekly line management of a Director. The main responsibility for this role is to consult and assist, in the design development and tender of project detail/construction design. The Studio's projects cover various sectors, including Residential, Commercial, Cultural, and Mixed-Use, so any relevant experience within these sectors is welcome.

Due to an increasing workload from both London and international projects, we are looking for an enthusiastic candidate who is passionate about design and innovation. Please apply only if you are based in or around London, have easy access to Stratford, London, and are eligible to work in the UK.

Responsibilities

- Confidently deliver projects from RIBA Stage 3 onwards with strong technical knowledge.
- Possess expert knowledge of statutory requirements and strong communication skills.
- Demonstrate an understanding and interest in sustainable technologies.

Requirements

- Highly organised and motivated, with experience in structuring your own workload and deliverables to meet project requirements and timelines.
- Passionate about architecture and design.
- Extensive experience in detailed design, architectural rules, legislation, and construction.

- Work with a high level of accuracy and possess a strong eye for technical design.
- Ability to work independently and as part of a team.
- Strong organisational skills and the ability to work under pressure.
- Clear thinking, with excellent time management skills and a genuine passion for innovation in design details.
- Extensive work experience within the UK.

Skills, Qualifications, and Experience:

- 3-4 years of experience in Stage 4 Tender Drafting.
- Proficient in AutoCAD.
- Skilled in BIM Modelling.
- Strong knowledge of UK building regulations.

How to Apply

To apply, please submit a CV and portfolio of work as two separate PDFs to info@remict.com. In your covering letter please ensure you have specified your period of availability, and your eligibility to work in the UK. Your cover letter should state clearly why you are interested in working at Remi C.T. Studio, and what you would bring to this role. Please name each file with your full name and either CV or Portfolio.

The deadline for applications is 11 pm, Friday 17 June 2024.

Shortlisted applicants will be invited for an interview
Monday 17 – Friday 27 June.

Please do not send printed matter or original work to the Studio.
We are not able to provide status updates for applications.
